

Cabaret

SWIVEL

The Cabaret collection presents a versatile style applicable in traditional or transitional corporate settings. A rolled arm and back detail and dual horizontal stitch lines on the back soften the strong support and construction. Swivel models are further refined by a carved rosette detail on the standard wood base or choose an optional black polyurethane base. Swivels feature a knee-tilt control with tension adjustment and optional pneumatic height adjustment. Guest model features Queen Anne style legs.

GUEST SEATING ON PG. 49

Specifications

- Wood Species: kiln dried Maple
- Seat has sheet webbing and 4" polyurethane padding.
- Back has polypropylene webbing and 2" polyurethane padding and integrated lumbar support
- Swivel models revolve, adjust for height and tension, have knee-tilt with a non-tilt locking mechanism and antique brass dual wheel casters.
- Constructed with spiral grooved solid wood dowels, corner blocks, glue and screws.

To order, specify:

1. Model number
2. Finish
3. Fabric pattern name and color
4. Optional black polyurethane base (no upcharge)
5. Optional plastic bumper guard (add \$12 list)
